THE VILLA

Villa Torre Bianca by Emily Hotels is a boutique five-star hotel in Puglia, set on a sprawling 50-acre private countryside estate surrounded by 2,400 olive trees.

Located in the beautiful seaside town of Polignano a Mare, this historic property with modern updates boasts a collection of 12 beautifully appointed guest rooms and suites overlooking our private gardens.

The villa, set across three buildings, also boasts an outdoor swimming pool with poolside loungers, indoor tv room, gym, office, sauna, spa treatment room, and dining room serving daily continental breakfast and a menu of seasonal, local cuisine.

Originally intended as a summer residence, the villa was constructed during the second half of the nineteenth century by the noble De Bellis family. During the Second World War, thanks to its strategic position atop the hill, the property served as a bastion for English officers tasked with monitoring potential enemy movements, earning it the name 'Villa Belvedere'. Through subsequent years, the estate transitioned ownership and

underwent meticulous restoration to evolve into a modern hotel, blending contemporary amenities with historical preservation under the careful oversight of the Superintendence of Cultural Heritage. In 2024, the villa was acquired by the Onni Group, becoming part of their growing Emily Hotels collection. Renamed Villa Torre Bianca, paying homage to its iconic tower now repurposed as a luxurious suite, the property boasts breathtaking vistas of the countryside and surrounding towns including Polignano a Mare, Conversano, Monopoli, and Castellana Grotte.

YOUR PRIVATE APULIAN ESCAPE

Nestled amidst olive trees and lush green spaces, Villa Torre Bianca offers an idyllic Southern Italian setting for private groups from multi-generational family holidays to adult-only group vacations.

Exclusive villa bookings include overnight accommodations, onsite parking, Wi-Fi, access the villa's onsite amenities and guest services, and daily continental breakfast.

Host celebratory meals in style. The indoor dining room can seat up to 40 guests, while outdoor receptions can be held for up to 250 guests.
